## **Scholarship vs. Sponsorship at Heathers Haven**

There are two major ways to make a cash contribution to Heathers Haven.

### **The first way is to provide a scholarship.**

A Scholarship will help a deserving resident pay her portion of the expense. At Heathers Haven, the philosophy is to require each resident to become self sufficient and provide for her own way in this world. However, sometimes there is a real need for temporary assistance while one gets on her feet, or for prolonged health problems. It is best for the resident to learn to provide for her own support first, then learn to take care of others as recovery progresses. Therefore, scholarship help is only a temporary assistance along the path to becoming a productive citizen.

### **The second way is to provide a sponsorship.**

One may chose to sponsor the portion of the cost at Heathers Haven that is not passed on to the resident.

There is the ever present expense of the cost that is not passed on to the residents. The amount charged for residents at Heathers Haven has been adjusted to be sufficient for each resident to appreciate the value of living there, but not too much to make it out of reach of anyone who truly desires recovery and comes with nothing but determination. That monthly charge made to each resident covers only about half of the actual cost of maintaining Heathers Haven and all the services furnished, to the high standards necessary for success.

By contributing \$375.00 monthly you may sponsor Heathers Haven to provide services for one resident. Without this sponsorship, Heathers Haven cannot exist. Since 1993, this sponsorship has been fully funded from a private source, however, the source is rapidly being depleted. To assure the continued contribution of Heathers Haven to the community, sponsors are needed who will give ongoing from month to month.

The amount required to sponsor just one resident is quite high. Therefore, we have provided for partial sponsorships of any amount one might desire to commit to. All commitments are appreciated and will help insure the ongoing success of Heathers Haven.
